TREATMENT FOSTER PARENT'S PHYSICAL EXAMINATION

Dear Physician,

We are considering _____ as a Treatment Foster Parent in SHERIDAN PATTERSON CENTER, Special Paths, Child Placement Program. We are required to request all applicants to have a physical examination and TB test and that each applicant submits a physician's statement indicating that the individual is free of communicable disease and is physically capable of performing the required duties.

Tuberculin Test is mandatory for acceptance and documentation of results must be submitted to SHERIDAN PATTERSON CENTER, Special Path, Child Placement Program and included in the applicant's file.

APPLICANTS MUST MEET THE FOLLOWING SPECIAL REQUIREMENTS TO BE CONSIDERED A THERAPEUTIC PARENT:

- A. All applicants must be capable of managing physically aggressive children and when necessary, using Passive Restraint techniques.*
- B. The applicant will be preparing and serving food.*
- C. The applicant may have to lift children (ages 2-15).*
- D. The applicant will be working with severely emotionally disturbed children, who are at times abusive and have behaviors that are difficult to manage. Due to the nature of the work with these children, the applicant may be exposed to emotional and physical stress.*
